

1961 INDEX TO ARTICLES

SUBJECT OF ARTICLE

MONTH & PAGE

- A -

Ag-Cat Capacity, Swathmaster Spreader Increases	Feb. 57
Ag-Cat Users Cite Economy	Sept. 54
Agitation Vital in Aircraft Spray Tanks	Apr. 51
Agricultural Aviation, Safety Factors in	May 55
Air Shelter Now Available in Industry	Sept. 17
American Chemical Society Pesticide Symposium	Oct. 23
American Chemical Society, 139th Meeting of (Part 1)	Apr. 40
American Chemical Society, 139th Meeting of (Part 2)	May 21
American Chemical Society's 140th National Meeting (Part 1)	Oct. 14
American Chemical Society's 140th National Meeting (Part 2)	Nov. 35
American Society of Agricultural Engineers Meeting	Jan. 57
American Society of Agricultural Engineers Meeting	Aug. 39
Ammonia, Producing 11-33-0 Grade Liquid Fertilizer From Superphosphoric Acid and	May 16
Ammoniator and Granulator Technology, Rotary (Part 1)	May 45
Ammoniator and Granulator Technology, Rotary (Part 2)	June 51
Antiresistant DDT	Dec. 21
Application, Successful Custom Spreading Requires Accurate and Rapid	Nov. 51
Application of Granular Organic Phosphate Insecticides, Safe	Jan. 59
Applicator, Seed-Corn Producer Develops Suspensions	July 22
Aquathol Aquatic Herbicide Now Available	Apr. 23
Armour Construction Begins	June 23
Aquatic Weed Control Credited With Save of "Major Industry"	Oct. 30

- B -

Bagging Department Ends Production Slow-Downs, Revamped	May 39
Barter Experiencing International Revival	Mar. 32
Beltwide Cotton Production-Mechanization Conference	Feb. 37
Best's Expanding Operations, Pesticides are Included in	July 27
Blue Mold Ruin Europe's Tobacco Industry?, Will	Aug. 17
Bulk Distribution, L.C.I. Bin System Speeds	Aug. 54
Buyer's Guide	Sept. 71

- C -

Calibration of Spraying Machines, Proper	Feb. 55
Canadian Agricultural Chemicals Ass'n. Meeting	Oct. 73
Carbamate Insecticides	June 21
Carbamate Insecticides, The Introduction and Use of (Part 1)	Oct. 16
Carbamate Insecticides, The Introduction and Use of (Part 2)	Nov. 27
Carton Unloader, Automatic	Dec. 61
Census of Fertilizer Manufactures	Apr. 24
Chemical Weed Control, A Farmer's View of	May 34
Claims For Damages, Handling	June 55
CMCS Meeting	Dec. 39
Colorado Agricultural Chemicals Association Meeting	Mar. 45
Cominco's Fertilizer Operations	Aug. 28
Consignment be Stopped?, Can	Jan. 27
Consumption of Commercial Fertilizers, 1960	Nov. 19
Controlling Woody Plants with Minimum Damage to Pines	July 49

Cotton, How To Obtain Best Results from Chemical Defoliation of	May 58
CSMA Mid-Year Meeting	June 38
Custom Spreading Requires Accurate and Rapid Application, Successful	Nov. 51
C-VFFA Meeting	Jan. 34

- D -

Damages, Handling Claims	June 55
Dealers are Vital to Effective Distribution Systems, Local	Aug. 14
Dealer Services Pays Off In Increased Sales and Profits	Dec. 49
Dealers, Home Garden Marketing Requires Qualified	May 26
Dealer Program Helps Introduce Liquid Fertilizer	May 23
Dealers Influence Farmers' Fertilizer Use	June 33
Dealer System Spells Success for Ralston Purina Co.	July 42
Defoliation of Cotton, How to Obtain Best Results from Chemical	May 58
Demonstration Programs, Farmers are Responsive To Fertilizer	May 14
Diamond Dedicates Center for Research and Testing	Nov. 79
Distribution is Last Frontier of Industrial Waste and Inefficiency	Nov. 37
DDT, Antiresistant	Dec. 21
DDT Continues to Increase, Production of	Sept. 19
Dow Agrichemicals Plant Entertains Royal Visitor	Apr. 31
Drift of Pesticides	Mar. 34

- E -

Entomological Society Of America Meeting (Part 1)	Jan. 41
Entomological Society Of America Meeting (Part 2)	Feb. 45
Entomological Society Of America Meeting (Part 3)	Mar. 43
Equipment Maintenance (Part 2)	Jan. 46
European Fertilizer Output, Increase Predicted for	Aug. 34
European Fertilizer Technology	Feb. 38
European Formulator, Profile of A	Nov. 21
Exports, India is Potential Market for U. S. Fertilizer	Aug. 23
Extension Service, Urbanization and the Agricultural	Apr. 36

- F -

Farmer Buy Fertilizer?, Why Should A	Oct. 39
Farmers Are Responsive To Fertilizer Demonstration Programs	May 14
Feeding Systems, Phosphate Rock Dust	Mar. 48
Fertilizer Consumption Report, Preliminary	May 36
Fertilizer Control Officials Meeting	Dec. 33
Fertilizer-Herbicide Combinations In Experimental Stage	Mar. 28
Fertilizer Industry, Japan's	Apr. 14
Fertilizer Industry Round Table, 1960 (Part 2)	Jan. 36
Fertilizer Industry Round Table, 1960 (Part 3)	Feb. 34
Fertilizer Industry Round Table, 1960 (Part 4)	Mar. 38
Fertilizer Industry Round Table (1961)	Dec. 28
Fertilizer Manufactures, Census of	Apr. 24
Fertilizer Materials, Standardization in (Exclusive Survey Part 1)	June 15
Fertilizer Materials, Standardization in (Exclusive Survey Part 2)	July 19
Fertilizer Operations, Cominco's	Aug. 28
Fertilizer Output, Increase Predicted for European	Aug. 34
Fertilizer Producers Influence Economy, Italian	June 40
Fertilizer Report, 1960-61, Preliminary	Apr. 18

I.C.I. Bin System Speeds Bulk Distribution	Aug. 54
Illinois Custom Spray School	Mar. 55
IMC Seminar, Managing for Profit is Theme of	Sept. 23
IMC Training Clinic	Dec. 19
India is Potential Market for U.S.	
Fertilizer Exports	Aug. 23
Injuries to California Pickers, Parathion Blamed For	July 30
Insecticide-Fungicide Conference at Cornell	Dec. 41
Insecticides, Carbamate	June 21
Insecticides, The Introduction and Use of	
Carbamate (Part 1)	Oct. 16
Insecticides, The Introduction and Use of	
Carbamate (Part 2)	Nov. 27
Italian Fertilizer Producers Influence Economy	June 40
Japan's Fertilizer Industry	Apr. 14

- L-M -

Liquid Fertilizer, Field Promotions and Dealer	
Program Help Introduce	May 23
Liquid Fertilizer from Superphosphoric Acid and	
Ammonia, Producing 11-33-0 Grade	May 16
Liquid Nitrogen Fertilizers, Comprehensive	
USDA Report Covers	Nov. 62
Malathion Decomposition, Glycols, Tall Oil	
Compounds Reduce	June 43
Management's Failure, Problem Solving: Middle	Oct. 18
Marketing: "Neglected Stepchild"	Nov. 43
Marketing Requires Qualified Dealers, Home Garden	May 26
Metal Ammonium Phosphates as Non-Burning	
Fertilizers	Oct. 26
Midwestern Agronomists and Fertilizer Industry,	
Joint Meeting	Mar. 36
Mist Blowers, Treating Fruit Trees With	Mar. 59
Multiwall Problems Avoided	June 27

- N-O -

National Agricultural Chemicals Ass'n. Meeting	Dec. 16
National Plant Food Institute Meeting	July 14
National Fertilizer Solutions Ass'n. Meeting	Dec. 25
Nematology, Development of Research in Plant	Feb. 41

Niagara Unveils New Herbicide at Opening of	
Research Unit	Nov. 48
Nitrogen Fertilizers, Comprehensive USDA Report	
Covers Liquid	Nov. 62
Northeastern Weed Meeting	Feb. 32

Olin Research Laboratory Tour	Dec. 43
Orchard Fertilizer Plant, New	Mar. 31
Ortho Fertilizer Plant, New	Mar. 31

- P -

Pacific Coast Branch, ESA, Meeting	July 39
Pacific Northwest Vegetable Insect Conference	Feb. 42
Parathion Blamed For Injuries to California Pickers	July 30
Pesticide Formulations, Stabilization of Dry	May 41
Pesticide Industry, What is Right with the	Nov. 40
Pesticide Market, The World	June 17
Pesticide Outlook, The	May 19
Pesticide Regulation, Massachusetts Commission	
Proposes	July 40
Pesticide Residues in Meat and Milk	Feb. 47
Pesticide Sales Up 3%, 1960	Jan. 33
Pesticides and Public Health	Jan. 39
Pesticides Are Included In Best's Expanding	
Operations	July 27
Pesticides, Drift of	Mar. 34
Pesticides, Granular	May 31
Pesticide Situation for 1960-61	Sept. 19
Pesticide Specifications, The Development of	Sept. 28
Pesticide-Use Regulations, Dangers Are Foreseen In	Aug. 20
Pesticide Use, "Saturday Evening Post" Warns on	Oct. 34
Pesticide-Wildlife Picture, Lack of Authoritative	
Data Clouds	Sept. 14
Phosphate Rock Dust Feeding Systems	Mar. 48
Phosphorus Workshop	Aug. 46
Pines, Controlling Woody Plants With Minimum	
Damage to	July 49
Potassium Nitrate in Crop Production	Jan. 30
Problem Solving: Middle Management's Failure	Oct. 18
Production Slow-Downs, Revamped Bagging	
Department Ends	May 39
Protection Against Inhalation of Certain Pesticides,	
Respiratory Devices for	July 45
